ABOUT ME

I am a developer currently based in Finland. I love learning about new things, especially about tech, game development and filmmaking. Also, I am very enthusiastic about Virtual Reality technology.

WORK EXPERIENCE

- June 2019 – August 2019** **Software Engineer Intern**
Fujitsu Software Technologies, Matsumoto, Japan
 - Designed a data visualization tool with D3.js.
 - Developed a single page application webpage using Vue.js.
 - Followed agile framework alongside daily meeting.
- June 2018 – August 2018** **Software Engineer Intern**
Institute of Information Systems, Sierre, Switzerland
 - Prototyped an XR medical application on the HoloLens and HTC Vive.
 - Designed a REST API using Java Spring framework.
 - Gained insights on Unity Development.
- November 2014 – April 2015** **Waiter and Kitchen Assistant**
Chetzeron 2112 SA, Crans-Montana, Switzerland
 - Delivered and prepared a seamless food and beverage service, alongside scheduling, inventory management and customer service.
- August 2013 – July 2014** **Intern**
Voyages L'Oiseau Bleu SA, Sierre, Switzerland
 - Organized various excursions, alongside dealing with customer enquiries, answering phone calls/emails and selling bus passes.

EDUCATION
